Abstract: A single paragraph of **1000** words maximum. Abstracts should give a pertinent overview of the talk. We strongly encourage authors to use the following style of structured abstracts, but without headings: (1) Background: Place the question addressed in a broad context and highlight the purpose of the study; (2) Core: briefly describe the aim of the talk; (3) Results and Conclusions: summarize the main findings and the main conclusions or interpretations. The abstract should be an objective representation of the talk and it must not contain results or discussions that will not be presented.

Keywords: keyword 1; keyword 2; keyword 3 (List three to ten pertinent keywords specific to the talk yet reasonably common within the subject discipline.)
